Sorry I missed your call this morning. I can do most anytime tomorrow and anytime on Monday, which I would prefer if agreeable to you; I would like to include my partner Jim Teater who has been deeply involved and I haven't yet had a chance to check his availability. Would it make sense for me to send over in advance the materials we shared with David Ogden and Don Verrilli? Thanks for your attention to this. Tim Cullen

Chevron

Dear Mr. Cullen,

I would like to arrange a time to meet with you regarding Chevron and the allegations and evidence of corruption in the Government of Ecuador that it has gathered and that have now been widely publicized. Could you let me know when we could arrange such a meeting? Thanks.

Best,
Mark
