Mr. Gomez,

The Special Masters (both of whom are on holiday) see no relevance to your request at this juncture under Rule 53, and certainly not in light of your consistently stated position that defendants are unable to pay and will not pay Special Master fees in any amount.

Thank you,

Justin Ormand

Dear Special Masters Gitter and Katz,

May the parties please have some estimate, range or indication of the anticipated total amount of your bills so that we may submit a more informed response to the Court by the July 5, 2013 deadline (Dkt. 1271 below)?

Thank you.

Regards,
Julio Gomez
